# High Value Solutions

## PERSONAL LINES

**Arlington/Roe partners with top carriers to provide a hands-on approach that is distinctive rather than standard.**

High Value Solutions provides individualized coverages customized to the unique needs of affluent individuals or those with emerging wealth. Affluent clients expect concierge-type service, requiring a higher level of expertise and service from both their insurance agent and their insurance company.

**We can help you find the right mix of coverages and price to meet your affluent clients' unique needs.**

- Find the appropriate coverages to fit your clients' unique lifestyle through a customized process.
- Work with a specialty underwriter from our experienced staff.
- Secure the account at a competitive price with our attention to special benefits and features.
- Uncover cross-selling opportunities with your commercial customers, such as professional liability or aviation clients, with our assistance to meet their unique personal coverage needs.

**Lines of Business:**

- Homeowners: primary, secondary or vacation homes and rental properties
- Auto coverage including luxury
- Jewelry and fine arts coverage
- Collections, especially those which are unique
- Yacht and watercraft Insurance
- International capabilities
- Flood insurance
- Domestic employee coverage
- Higher liability limits
- Excess or umbrella coverages up to \$10M or greater
