

STANDARD BUSINESS

IN-HOME CHILD CARE QUICK QUOTE

Let us help you find solutions for your small business clients.

As a managing general agency and wholesale insurance broker, agents often think of us for hard to-place, complex accounts, but did you know we can also offer indication options from our national carriers for your small business clients.

We have access to great quick indication options from our national carriers for your small business clients.

Please note: the insured's homeowners coverage may exclude any losses related to the in-home day care business. Check with the carrier that provides the insured's homeowners coverage for specifics.

Quick Quote Requirements

- No losses
- Up to 18 children for quick quote
- Licensed with the state OR compliant with state regulation
- 3+ years industry experience (3 years prior coverage preferred)
- Less than 15% of total children cared for with special needs

Is This Risk Eligible for Quick Quote?
